

# Mother's Day Cards

## Materials

- Construction paper
- Scissors
- Glue stick
- Writing/ coloring utensil

## Instructions

1. Choose a piece of construction paper and fold it in half

2. Use the other pieces of construction paper to cut out different shapes such as flowers or hearts. (It is useful to use a hole puncher to make paper polka dots).

3. Glue your shapes onto the card for decoration

4. Use your writing/ coloring utensil to write a message or draw pictures on your card. Don't forget the inside!
