Your Founding Father is:

GEORGE WASHINGTON!

You are dutiful, loyal, and steady as a rock. You are a guiding example to your peers and a born leader. You are strong during times of crisis, and for this, your friends and family lean on you for support. While, at times, your temper can flare (because you care so much), you are anchored by your deep values and sense of purpose.

B

Your Founding Father is:
JOHN ADAMS!

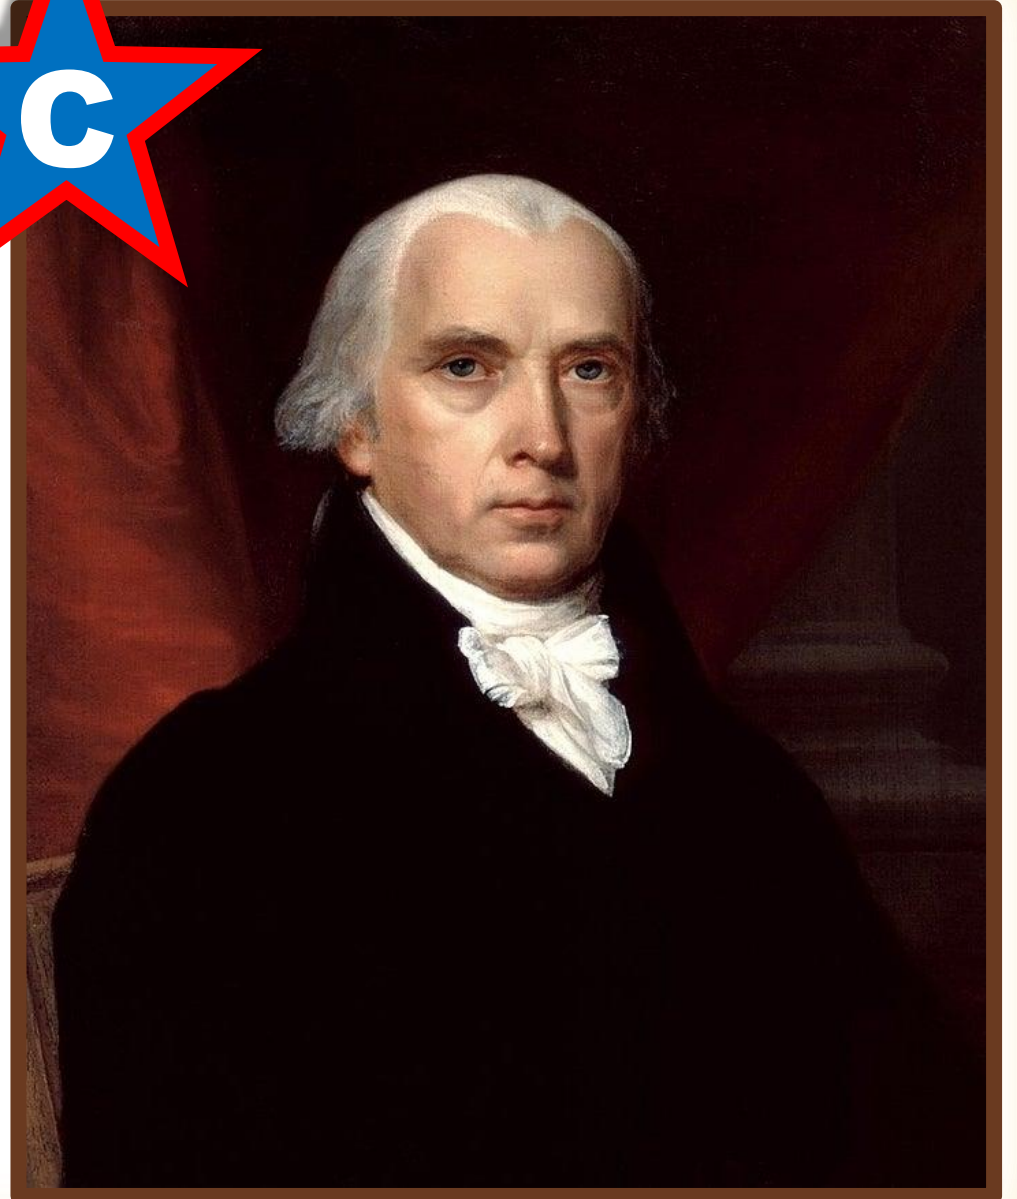

You are persistent, tenacious, and unmovable. You don't particularly care what anyone else thinks, because you know deep down what is most important. This is not due to arrogance, but rather to your profound sense of right and wrong. Your friends are few, but you hold them dear, and they admire your wisdom and honesty.

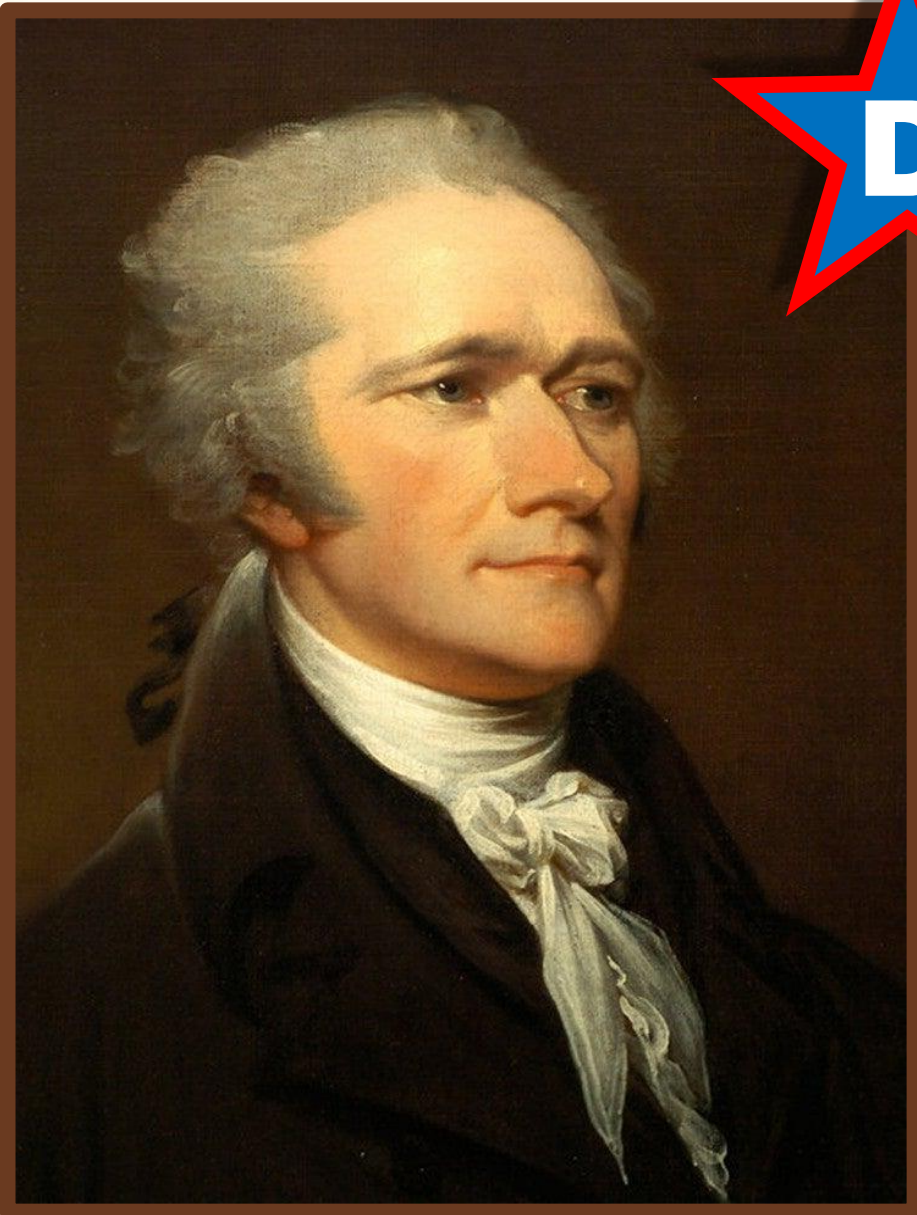

Your Founding Father is:

JAMES MADISON!

You are calm, modest, and introspective. You avoid confrontation, but that certainly doesn't mean that you don't care. You prefer to work on your own, and your brilliance is best expressed through your thoughtful works. In a room full of talkers, you often feel silenced. But you know well that the quietest people have the loudest minds. And your mind is a symphony!

D

Your Founding Father is:
ALEXANDER HAMILTON!

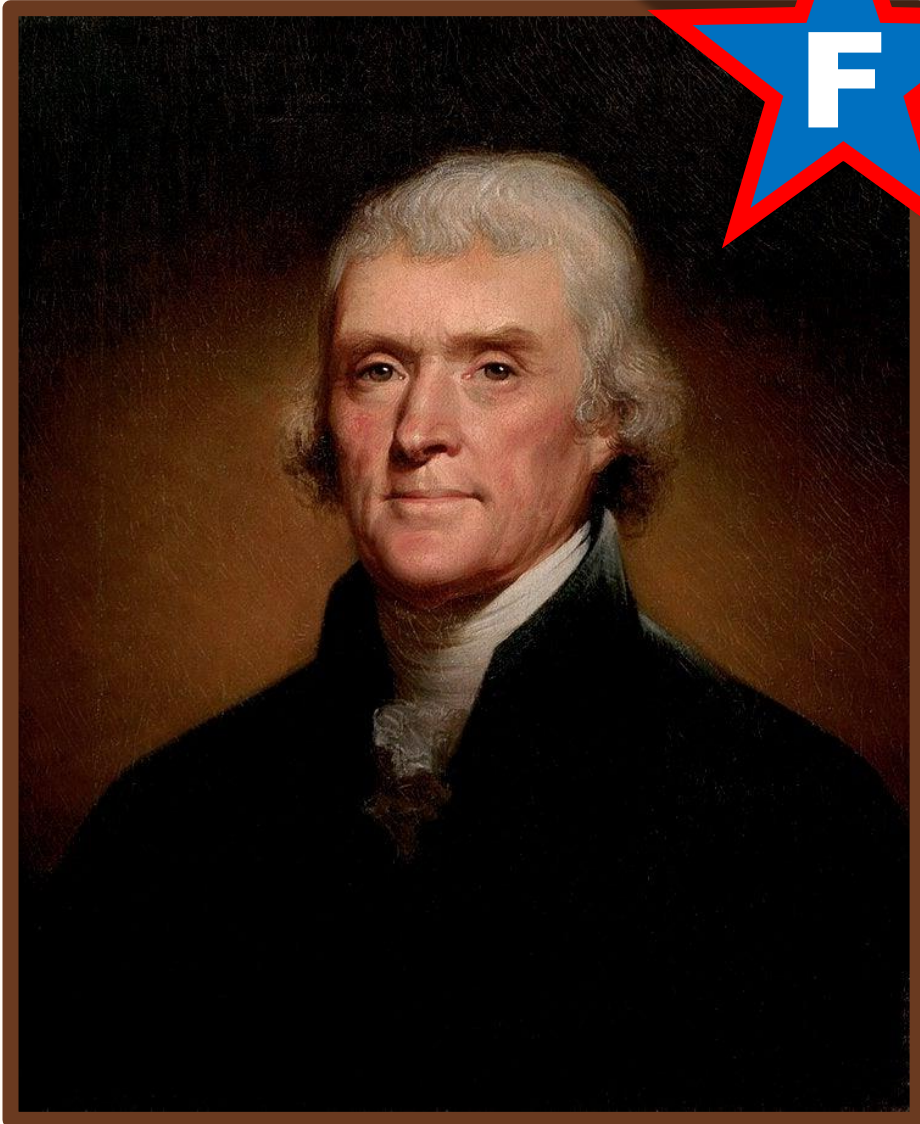

You are bold, ambitious, and enterprising. Your aspirations are endless, and your attention to detail is impeccable. The friends you make are ones who can help you achieve your lofty goals. You have an in-exhaustible work ethic, and you expect the same from those you work with. Pity to those who stand in your way!

Your Founding Father is:

BENJAMIN FRANKLIN!

You are sharp-witted, charismatic, and insightful. Your "gift of gab" wins you many friends, of whom hold you at the highest regard. You experience the world in ways that others cannot sense, and you are wise beyond your time. You are unconventional, which may put you at odds with some, but your charm is disarming and puts them at ease.

Your Founding Father is:

THOMAS JEFFERSON!

You are idealistic, opinionated, and complex.

You are a visionary, and you work tirelessly toward that vision. Nothing less will do and you stand firm by your principles, even if it estranges you from your friends and family.

You are ahead of the world, and the world will just have to catch up with you!

Your Founding Father is:

JOHN JAY!

You are honorable, humble, and principled. You strive to do what needs to be done for the benefit of the group, yet you never expect anything in return. Your friends and colleagues hold you of the highest esteem, but you never let your popularity get into your head. You are a quiet force behind the scenes, and your devotion is evident in all that you do.
